NOTICE

No 859//

Dt 21.01.2022

It has come to notice of the undersigned that many candidates who have been admitted in different private Nursing institutions, the reporting in the institution is not accepted by the concerned authority & they are being denied the admission in the plea that they have already filled up the seats by management quota.

It is instructed to all concerned that such denial of admission of any candidates who have been admitted through central counseling process is illegal & necessary action as deemed fit shall be initiated against such erring institution.
